Warm Up Procedure and Lane Allocation 2024

Warm-up commences in both the main and utility pools at approximately 7.30am and concludes at 8.15am. ONLY swimmers competing in the medley relay and freestyle events should warm up at this time to avoid overcrowding in designated lanes.

At 8.15am, warm up will end in the competition pool and ‘walk backs’ will start in the utility pool with diving from the eastern end.

Six lanes will be available in the utility pool throughout the day for warm up and cool down. No other swimmers are to use this facility.

Only one school official, either the swim coach or member of the school sport staff (no parents / spectators) are to be on pool deck at their designated lane BEFORE any swimmers from their school enter the water.
