Sporting Activities 2025

The Association of Heads of Independent Girls' Schools NSW trading as Independent Girls' Schools Association (**IGSA**) and its members' schools organises many individual and team sporting activities during the course of a year. Some of these are organised with IGSA Sport, a sub-committee of the Association of Heads of Independent Girls' Schools NSW (AHIGS), now trading as IGSA. Students participating in these sporting activities take part in practice and in competitions.

IGSA and its members' schools expect students to take responsibility for their own safety by wearing compulsory safety equipment, by thinking carefully about the use of safety equipment that is highly recommended and by behaving in a safe and responsible manner towards team members, opponents, spectators, officials, property and grounds.

IGSA and its members' schools Sport also expect parents, spectators and other participants to behave in a safe and responsible manner, to comply with the Codes of Conduct and to set a good example for the students.

While IGSA and its members' schools take measures to make the sporting activities as safe as reasonably possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting activities, whether at training or in actual events.

Such injury can occur while the student is engaging in or watching a sporting activity, or travelling to and from the event. The injury may result from a student's actions, the actions of others, the state of the premises or equipment failure.

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). In very rare cases an injury can be life threatening or result in permanent disability. If a student has a pre-existing injury, participating in a sporting activity could result in an exacerbation of that injury.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.

It is the responsibility of IGSA members' schools to ensure that all staff and volunteers undertaking duties at any IGSA Sport event have the required "Working with Children" clearance.

This handbook will help you by:

1. Outlining the duties of a Venue Convener.
2. Providing information on who you can use as a referee and what requirements they must meet BEFORE umpiring.
3. Providing you with information about IGSA Sport basketball rules and guidelines.
4. Providing guidelines on how to deal with accidents and injuries.
5. Helping you deal with unacceptable behaviour from spectators and students.
6. Advising on what to do when a venue appears unsafe for play – wet weather, air quality, heat etc.
7. Providing contact details so that you can call someone when you're unsure of what to do.
8. Enclosing copies of all the forms you will need to do fulfil the services required..

As you can see, the Conveners' Handbook is very important. You will need to have it with you at the venue each Saturday together with the grade and venue draw.

It is compulsory for all conveners to complete the online conveners' seminar and quiz (<https://form.jotform.com/232328853832056>) at least once each calendar year.

I hope your role as an IGSA Sport Venue Convener is a positive and enjoyable experience. Please feel free to contact me, especially on Saturday mornings, if you have any questions.

Thank you and good luck.

IGSA Sport Basketball Convener Statement of Services

The IGSA Sport Basketball Venue Convener is responsible for the overall conduct of the match, for ensuring that risk assessment and safety procedures are observed and that rules, regulations and guidelines related to basketball are adhered to. To this end, the Convener should be familiar with the IGSA Sport Code of Conduct, the IGSA Harassment Policy, the Hockey Conveners' Handbook and with the basic principles of first aid.

Specifically, the services required include:

- Having the Conveners' Handbook with you at all times and apply it as and when required with respect to specific issues that may arise and the overall conduct of the match.
- In the event of wet weather, lightning, thunder, extreme heat etc, follow the procedure outlined in the Conveners' Handbook (see the venue closure page).
- **Prior to the first match**, completing the Safety & Risk Assessment Inspection Checklist for IGSA Sport Sporting Venues. If in doubt, contact the IGSA Sport staff.
- Ensuring that the venue is set up in a manner appropriate for play.
- Ensuring that ice packs and a first aid kit are available at the venue.
- In order that Conveners take responsibility in working with IGSA to ensure officials have the required Working with Children checks, the following will apply:
 - The convener must read the updated handbook.
 - The convener must complete the updated seminar at least once per year.
 - The convener must sign the venue convener declaration to confirm that there are no officials who are not on the approved list of officials supplied by the IGSA office.
 - If there is an unapproved substitute official then the match **will not go ahead and matches at the venue will be cancelled.**
- Checking that all officials have returned their signed contract, completed Statement by a Supplier and Contractor Details forms to IGSA Sport (they cannot umpire until these have been completed and returned). Once the forms are completed, distribute the umpire cards and sign them after each round.
- Should an **accident** occur during the match, implement the procedure outlined in the Conveners' Handbook. In brief this involves:
 1. reassuring the injured player
 2. seeking help – staff member, team manager, parent
 3. assessing injury – if serious call ambulance and ensure injured player is accompanied
 4. complete a detailed **accident report** and submit via email with summary sheet.
- In the event of a breach of the Code of Conduct or complaint, complete a detailed **incident report** and submit via email with summary sheet. If necessary, contact Kate Howitt or Matt Mulroney.
- **After the final match**, completing the Summary Sheet and Venue Conveners' Declaration and return the required paperwork to the IGSA Sport Office.
- **After all matches are finished**, enter the results in SPAWTZ and mark the attendance / availabilities and send the summary sheet via email to the IGSA Sport office immediately; at the latest by 8am Monday morning. Posting all originals as soon as is practicable.
- Completing the convener's game sheet each round with details of referees and match times.
- Sighting and verifying qualifications of all referees. These details are to be noted on each card to ensure correct payment during and at the end of the season.
- Packing away the venue after play has finished.

Where required, **contact Kate Howitt (0412 097 811) or Matt Mulroney (0493 092 881) for advice** on your duties, responsibilities, incidents or accidents.

2025 Term 3 IGSA Sport Basketball Rules & Guidelines

Player registrations

1. Players must be enrolled in years 7 - 12 at the school they represent and be registered with the IGSA Sport office by the Monday prior to the start of the competition.
2. Players are considered registered after they play their second match (and signed on as required).
3. Players may play in a higher grade than the one in which they are registered. Once they have played 3 matches in the higher grade they are then registered in the higher grade.
4. Team registrations have some flexibility in the first 2 weeks of the competition to ensure that students are in the correct grade.
5. Where schools have teams in the same grade they must nominate the higher or lower team and rules relating to playing up or down will apply.
6. A player unavailable for a round match, semi or final may be replaced by a floater or a player from another team (in accordance with the playing up rules). However, you cannot exceed the number of players originally registered for that team. This does not permit students to play in two semis or finals although they can play a maximum of two round matches each week.
7. Byes & matches washed out will count towards matches played.
8. A player must have signed on for 3 round matches in any team for this sport, in accordance with the playing up rules to be eligible for semis and finals. Details of player eligibility will be forwarded to school staff in advance of the final round. If this is not received before the final round, school staff should contact the IGSA Sport office.
9. A player, who has signed on for 3 matches but not played in the semi-final, is still eligible for the final.
10. A player may only play for 1 team in the semi-finals and finals.
11. Where play offs exist, semis and finals rules do NOT apply to these matches.
12. Injured or ill players who have not signed on for 3 matches are not eligible for semis or finals.
13. A team playing an illegal player may be required to forfeit the match.
14. The minimum and maximum number of registrations per team for each sport is:

Sport	Minimum	Maximum
Badminton	3	5
Tennis	4	6
Basketball	5	12
Football	11	16
Hockey	11	16
Netball	7	12
Touch	6	14
Water Polo	7	13

With an allowance for 2 extra players maximum. Permission is required from the IGSA Sport staff to register more than the maximum. Please note - you may only field the maximum number of registrations in each round match, semi or final. Failure to do so may incur a forfeit result.

15. Each school may use up to **5** floating registrations during the season. Where a student is used for one match only, no fee will be charged.

Legal Playing Up Rules

Some examples of legal and illegal plays-

- ✓ student plays 2 matches in one day – LEGAL.
- ✗ student from J01 plays in grade S13 - ILLEGAL & FORFEIT.
- ✗ student plays less than 3 round matches OR plays 3 but fails to sign on, NOT ELIGIBLE FOR SEMIS OR FINALS.
- ✓ student in S13 plays down in S14 in Week 2 LEGAL provided she then remains in S14 for remainder of season OR if she plays up she is automatically re registered in the higher Grade.
- ✓ student from J01 plays up - Week 1 – S01, Week 3 – S03, Week 5 – S02 AUTOMATICALLY RE-REGISTERED IN S03 - the lowest she may now play.
- ✓ a school has 2 teams in grade J01 Team 11 & 12 - Players in both teams may not move between teams, regardless of which team is numbered lower.

Legal grades for playing in round matches, semi-finals & finals

Where necessary, players may play in another team that is in a higher grade than the team they were originally registered in. Exceptions include:

Senior Grades

S01 Can only play in this grade (schools with multiple teams in S01 may not move players between teams).

All other senior grades can only play in a grade higher than their own team.

Junior Grades

J01 Can only play in S01 –S04 (schools with multiple teams in J01 may not move players between J01 teams).

J02 Can only play in S01 – S06 and J01.

J03 Can only play in S01 – S12 & J01 – J02.

J04 Can only play in S01 – S12 & J01 – J03.

Year 7 players playing in J01 – J02 may play down into Y701 grade.

Year 7 players playing in J03 – J20 may play down into any year 7 grade.

Please note that a year 7 player in a junior grade may only play down twice per term.

Y702 Can only play in S01 – S06, J01 – J12 & Y701.

Discipline - For Breaches of Code of Behaviour

Please read the Code of Conduct available on the IGSA Sport website. A summary is contained in the Conveners handbook. Please make sure all players, coaches and umpires are aware of the Code of Conduct. An IGSA Sport Incident Report must be completed for any breaches of this code.

IGSA Sport Summary Code of Conduct for Inter-School Sport

Why: The Summary Code of Conduct is designed to provide a brief outline of the rules, guidelines and principles governing inter-school sport. It is a quick reference document only and does not replace the IGSA Sport Code of Conduct. In the event of a perceived conflict between the two, the latter will prevail.

Who: The Summary Code of Conduct applies to anyone participating in IGSA Sport including students, staff, coaches, umpires, officials, parents, spectators and volunteers.

What: The Summary Code of Conduct covers four areas: principles, expectations, authority and rules.

Principles:

- Participation in inter-school sport is important for all students: it fosters social, emotional, personal and physical development.
- Winning is less important than co-operation, team spirit and good sportsmanship.

Expectations:

- All participants, regardless of their role, will be expected to treat others with respect, courtesy and encouragement. Disparaging comments will not be tolerated nor will aggressive, abusive or offensive language or behaviour.
- Should disputes arise, resolve them in a calm and constructive manner.
- There will be no argument with or criticism of, the referee. If you disagree with a decision, refer to the IGSA Complaints Policy available on the website.
- Harassment will not be tolerated in any form.

Authority:

- The match officials have complete control of the match. In matters regarding play and the rules of the match, their decision is final.
- The venue convener has responsibility for all other aspects of the match such as safety at the venue.
- The referee and venue convener will work together to achieve a fair outcome. They may also consult staff members present.
- In the event of misconduct, the match officials may caution, suspend or send off the offender. In extreme circumstances they may stop play or terminate the match.

Rules:

- Unacceptable conduct is outlined in the Code of Conduct and includes any behaviour that might reasonably be expected to damage the self esteem of another or the reputation of an individual, school or the independent school sector generally. This includes derogatory remarks, dangerous behaviour, property damage, inciting violence, verbal or physical abuse or harassment.
- Players engaging in unacceptable conduct may be cautioned, suspended or sent off. Anyone else engaging in unacceptable conduct will be cautioned and if this fails, asked to leave.

Protests

A coach or team captain is entitled to lodge a protest should she/he be dissatisfied with any aspect of the match. The following procedure will apply:

The coach or team captain must lodge the protest in writing with the Convener at the venue as soon as possible or notify the IGSA Sport staff by 12 noon on the Monday following the match.

The opposing team must be notified of the intent to protest and the reason for it. The protest will be addressed as soon as possible by the IGSA Sport staff.

Forfeits

A team which finds it necessary to forfeit a match and is aware prior to Friday afternoon must notify: -

- A) their opponents
- B) the IGSA Sport office

Teams more than 5 minutes late or less than the specified minimum number of players will forfeit their match. However, opponents may choose to play the match for points or play a “friendly” match, provided this decision is made prior to the start of the match. This decision cannot be reversed once play has started. If a decision to play for points is made, the forfeit no longer applies. No extra time will apply in such a case.

In the case of a team failing to have the necessary equipment available, the non-offending team may choose to lend their gear and play for points or request a forfeit. This decision must be made prior to the start of the match.

Venue Closure (i.e. Wet Weather, Extreme Heat)

The Convener must make a decision concerning commencement of play and any stoppages or cancellation due to inclement weather. Any such decisions should be made after consultation with coaches, managers and any school staff present. Where it is necessary to call off matches, the Convener is requested to **notify their school's sport staff** so the IGSA Sport venue closure page can be updated for players and parents to check.

The open or closed status of a venue can be checked by accessing the:

IGSA Sport competition website: <https://igsasport.spawtz.com/Leagues/VenueStatus>

Point Scores & What Happens with Matches Cancelled Due to Venue Closure

In the case of venue being closed during a match, any match that has completed one half will be considered played, and the score taken from when the match was stopped.

Matches that do not play or are cancelled before reaching half time are considered cancelled.

The total point score at the end of the season for each team (before semis and finals if they exist), will be divided by the number of matches played. This result is then used to determine which teams play in semis and/or finals.

There are no points awarded for matches cancelled due to the venue being closed.

Point score

Win:	5 Points
Draw:	3 Points
Loss:	1 Point
Forfeit:	-1 Point
Forfeit Score For / Against:	20 – 0
Washed out matches	0 points

For and Against: We will continue the ‘Capped Points’ system to encourage coaches to adopt the ‘mercy rule’ and to adopt the fairest strategy with regard to for and against points for final placings. Please note that the ‘capped score’ will only be in place when the IGSA Sport office records the official score. The points differential will be capped at **30** points.

Match sheets

All students are to sign the sheets at the Convener's table **before** play. The sheets should not leave this area. At the completion of the match, team captains and umpires must report to the Convener to complete details of the match on the sheets.

The match sheets are to be sent in to the IGSA Office each round.

No student is to sign for another.

If possible, each team must make sure they have a **scorer to sit with the opposition scorer.**

Team Captains must sign the match sheet at the conclusion of the match to verify the score. Once both captains have signed the match sheet, no changes to the score will be made. If the result is in doubt, the convener is responsible for determining the final score.

Referees

Referees to wear appropriate uniform which is NOT affiliated with any school.

Students should be reminded that the referee is in full control of the match.

Do not argue with the referee at any time. This also applies to coaches and spectators, who are reminded that they are expected to behave in a manner which at all times reflects the ethos of the members' school of IGSA. **Spectators are not to approach referees concerning any decision.**

Where referees are not available at a venue, teams are responsible for starting their own matches and **sharing the refereeing of that match.** Extra time will not be allowed.

All teams will go on and off with the siren or bell, however the referee has full control of the match and her / his call will indicate the start and finish of a match.

Semis will be 1 vs 4 and 2 vs 3; the semis winners will then go on to play finals the following weekend. There are no playoffs in term 3 for teams coming 5th to 8th.

Match times

All matches will be held at 8.00 am, 9.00 am, 10.00 am & 11.00 am on a Saturday morning.

The match consists of 20-minute halves - running time (stop clock for time outs) - 2 minutes half time. There is no additional injury time.

Number of players

A team must have at least four (4) players to start a match.

Safety

1. No jewellery and no long or sharp fingernails are allowed. No taping of jewellery is allowed. Nails must be checked before the start of every match. Nails cannot be taped.
2. No casts and/or splints: A student wearing a cast or splint because of an injury may not participate.
3. Players are permitted to wear sports goggles, sports glasses or sports sunglasses as long as, in the opinion of the referee, they pose no danger to the player or other players. The Optometrists Association of Australia has stated that children involved in sport, requiring assisted vision, should wear protective eyewear such as sports goggles or sports glasses with soft or flexible frames fitted with a plastic or polycarbonate lens. IGSA Sport recommends players carry a letter from their optometrist confirming glasses are suitable for playing sport.

 - if possession alternates – when the ball is touched by a player in the court
 - during out of bounds – when the ball is touched by a player in the court
 - during free throws
 - if successful, it is the same as out of bounds

- If unsuccessful, when it touches a player on court (E.g. rebounder)
 - The clock is not stopped when a basket is scored
3. Two time outs per team per match, which can be taken at any time (except the last minute of the first half). The clock stops for time outs. One time out per team allowed in extra time (in the case of finals).
 4. Time Outs are 1 minute and should be timed although the team that calls the time out can call “time in” whenever they choose.

Zone Defence

1. Zone Defence is permitted only in senior grades.
2. In year 7 & junior competition - no zone defence is enforced.
 - 1st illegal defence = warning
 - 2nd illegal defence and any subsequent breach = tech foul on coach. The coach is not to be ejected for illegal defence.
 - NB. Double tech foul still exists for misbehaviour.

Equipment

All grades are to play with a size 6 ball.

The use of electronic scoreboards and the 24 second shot clock is compulsory at S01, S02 and J01 matches only.

Scoring

Own goals count and are awarded to the captain on the score sheet.

We will be continuing the ‘**Capped Points**’ system to encourage coaches to adopt the ‘mercy rule’ and to adopt the fairest strategy with regard to for and against points for final placings. Please note that the ‘capped score’ will only be in place when the IGSA Sport office records the official score. The points differential will be capped at **30** points.

Mercy Rule and recommended guidelines:

Referees and conveners are asked to encourage:

- The Mercy Rule should be initiated when there is a **30 points** difference in the score. The team ahead by 30 points being required to drop back to half way when defending. To be managed by the referees with support of the venue conveners. (This is a RULE and must be abided by)
- **No Zone:** If the team winning by more than **20 points** is sitting in a zone, this will not be allowed. The winning team should match up with a player.

Mercy guidelines for basketball

These are guidelines and cannot be enforced by any team.

Coaches are encouraged to implement the following strategies:

- If a team is winning by 20 points or more at half time, winning team must refrain from “trapping” and playing full court defence and every player must guard their player from half court.
- Since there are a number of different playing positions in basketball, if the winning team has a large lead, have the students try different playing positions. As a coach, you can also work on your teams’ weaknesses (e.g.: as a team we’re not allowed to score inside the key, or complete X amount of passes before shooting the ball).
- Another option is to substitute the stronger players out of the match and tell them to work on their weaknesses when they’re put back on (dribbling with their weak hand, etc.)
- Winning teams can pass at least three (or five) times, or pass the ball to all players, before attempting to score.

- Teams could run back to touch the baseline after they score so as to give the other team more time to bring the ball down the court.
- Every player on the winning team must have scored before anyone can attempt a second shot, or players must shoot from outside the key.

Semis & finals

Where no semis or finals are played, the premiership will be “first past the post” and will be decided as detailed below:

- The position of teams is determined by their final ranking according to the final averaged points score at the end of the rounds.
- If teams have the same averaged points at the end of the rounds, the premiership will be declared “joint premiers”.

In the event of a grade playing semis and/or finals the following will apply – semis will play 1 v 4 and 2 v 3. There will be no playoffs for teams finishing in 5th – 8th positions.

The following will be used to determine final standings and therefore the teams who will play in semis and / or finals:

1. The position of these teams is determined by their final ranking according to the average of the final points score at the end of the rounds.
2. If two teams have the same average points, it will revert to the winner of the match played between these teams.
3. If two teams have the same average points at the end of the rounds and the match between them was a draw or washout, the positions for semis / straight finals will then be determined by their match points (for / against) difference.
4. If three or more teams have the same average points, the positions for semis / straight finals will be determined by the difference between their for and against scores taken from matches played only between tied teams and averaged over the number of rounds played.
 - i. If item 4 cannot determine necessary positions, teams no longer in contention will be removed from consideration and positions of remaining teams will be determined by the average points from matches played between only teams still in contention.
 - ii. If 4.i. cannot determine necessary positions, the team that has the highest number of “for” points will be ranked highest.
5. If necessary positions still cannot be determined, the final rankings will be decided by a drawing of straws (undertaken by IGSA Sport staff), unless schools involved agree to play a tie-breaker fixture prior to the semis/ finals match weekend.

Teams to play in the finals will be decided on the results of the semis and the winners of each semi will play in the final.

When a draw occurs in all grades in a semi or final, extra time will be played.

In the case of a draw at the end of regular time in a semi or final, a 3-minute break will be taken followed by 5 minutes only of extra time. In extra time there is to be a running clock except for the final minute when the match is fully timed. There are no time outs in extra time.

If a draw still exists at the end of extra time in the semi, then the team finishing highest in the rounds will go through to the final.

If a draw still exists at the end of the final, the teams will be declared joint premiers.

When a match is affected by a venue closure in a final, both teams will be declared joint premiers.

IGSA Sport Basketball – “Bench Duty”

Please note the following:

** Coaches are to NEATLY identify the shirt number that the students will play in next to their names on the scoresheet. All students are to then sign the sheet in a clear and legible manner. **

At the completion of the match, the completed scoresheet is to be handed into the venue convener. Failure to do so will result in no points being awarded to either team.

1. **Match times:** 20 minutes halves – running time – 2 mins half time break
2. **In the last minute of the second half, the clock will stop on every whistle** (you may still have time outs in this minute). **The clock starts when:**
 - Alternate possession – when ball is touched by a player in the court
 - Out of bounds – when ball is touched by a player in the court
 - During free throws
 - If successful it is the same as out of bounds
 - If unsuccessful when it touches a player on court (E.g. rebounder)
 - Clock is not stopped when a basket is scored.
3. **No subs or time outs in the last minute of the first half.**
4. **Two x time outs per team which can be taken in any half.**
5. **Time outs are 1 minute and the clock shall be stopped.** The team that calls time out can call “time in” whenever they choose.
6. **A 24 second shot clock operates for Grades S01, S02 and J01 only.** The 24 seconds commences/starts in the back court as soon as possession changes.

**** If you have any problems please consult with your venue convener. ****

24 Second Shot Clock – S01, S02 & J01 Only

The 24 SECOND OPERATOR – is responsible for the operation of the 24 second device. The 24 second operator must be very attentive and have their fingers near the switch / buttons whilst the clock is running.

On an unsuccessful shot the device must be stopped the instant the ball touches the ring and reset once a team gains possession.

Resetting the shot clock whenever a team gains control of a live ball on the playing court.

Stopping and resetting the shot clock

- When the referee blows the whistle for a foul, violation or a jump ball resulting in a change of possession
- When an unsuccessful shot for a field goal hits the ring unless the ball lodges on the basket support
- When a shot for goal enters the basket
- When the match is stopped because of the actions of an opponent of the team in control of the ball

Stopping and holding the shot clock (not reset)

- When the same team that previously had control is awarded a throw in
- After the ball goes out of bounds
- When a jump ball is called
- Following a double foul
- After a match stoppage due to the team in control
- A cancellation of equal penalties

Venue Closure Procedure and Guidelines

Due to the short season for all IGSA Sport competitions, every attempt is made to play the inter-school matches and cancellations of Saturday sport are rarely made before Saturday morning, unless a venue notifies IGSA Sport that the facilities will not be playable prior to this.

Procedure

If required, venue conveners should liaise with school sport staff or coaches to determine suitability for play. Where it is necessary to call off matches, the Convener is requested to notify their school's sport staff so the IGSA Sport venue closure page can be updated for players and parents to check.

Taking into consideration that once a venue is closed, the venue does not reopen. The venue convener is only required to stay 30 minutes after the venue closure. If necessary, continue to liaise with IGSA Sport staff throughout the morning.

To find out if a venue is opened or closed go to <https://igsasport.spawtz.com/Leagues/VenueStatus>

You do not have to be registered to use SPAWTZ so students, coaches and parents can all access them from their smart phones, tablets or computers.

- ✓ Check venue closures (Click on the venue closures icon)
- ✓ Find matches for selected teams (including links to maps)
- ✓ Check results and ladders

If play has not been cancelled by IGSA Sport and there is a concern that the weather may impact on the venue, go to your venue and assess its suitability for play.

General Guidelines

- Play should not commence under any circumstance if there is a risk of injury to those involved.
- If conditions deteriorate during the course of the game / match such that it becomes unsafe to continue, play must cease immediately.
- If an outside venue (non school) is closed by the local council concerned, play must not commence.
- The **lightning safety code** is based on the 30 / 30 rule which calls for all play to be stopped when the lightning / thunder ratio reaches 30 seconds or less, i.e. the time between when the lightning is seen and the last thunder is heard is 30 seconds or less. This means that lightning is seen 10 km away and the next strike has a "significant risk" of hitting the people who have seen the lightning and heard the thunder. All participants must be aware that in the event of lightning, play must not resume until 30 minutes after the last lightning strike and thunder.
- All play must cease immediately if there is **hail**. All students, officials and spectators should seek cover immediately.
- Care should also be taken in the event of **extreme heat**. If there are any concerns or doubt, use refer to the "IGSA Sport Hot Weather Guidelines" or contact the IGSA Sport staff. After consultation with coaches, players and referees, extra drink breaks or cancellation of play should be considered immediately
- Care should also be taken in the event of **poor air quality**. If there are any concerns or doubt, refer to the "IGSA Sport Air Quality Guidelines" or contact the IGSA Sport staff. After consultation with coaches, cancellation of play should be considered immediately

IGSA Sport Hot Weather Guidelines

Each and every school has a responsibility to educate the participants concerning the steps to avoid dehydration and appropriate sun protection.

Procedure

STEP ONE: Altering the conditions of play.

Tennis	Allow additional breaks to drink and sun protect (shade) where possible.
Badminton	Allow additional breaks to drink and sun protect (shade) where possible.
Basketball	Allow additional breaks to drink.
Football	Allow additional breaks to drink and sun protect (shade) where possible.
Netball	Allow additional breaks to drink and sun protect (shade) where possible.
Hockey	Allow additional breaks to drink and sun protect (shade) where possible.
Water Polo	SMA suggests that NO changes to play are needed. Be mindful that indoor facilities for spectators and officials may be an issue with both temperature and humidity.
Touch	Allow additional breaks for drinks and play 4 quarters rather than 2 halves. Limit the number of 11.00am matches or where possible play no matches at 11.00am.

STEP TWO: Cancellation at the venue

Schools and venue conveners will assess the need to close the venue on a case by case basis. Interim measures provided by the SMA guidelines (below) should be considered prior to cancellation.

At an ambient temperature of 36 or above sport must STOP immediately. The normal rules concerning venue closure will apply. There will be no further sport at that venue for the rest of the day.

STEP THREE: Cancellation by the IGSA Sport office

In extreme conditions, the IGSA Sport office will decide in the interest of the players, spectators and official's welfare that sport be cancelled prior to the day of sport. It would only be for unusual "heatwave" conditions or variations from the average temperature for the time of the year.

This decision should not be taken lightly. The IGSA Sport office will make this decision in consultation with Heads of Sport and the Standing Committee guided by the Sports Medicine Australia (SMA) Guidelines.

SMA Guidelines

Heat exhaustion

- Characterised by a high heart rate, dizziness, headache, loss of endurance / skill / confusion and nausea.
- The skin may still be cool / sweating, but there will be signs of developing vasoconstriction (e.g., pale colour).

To avoid heat exhaustion, if people feel unwell during exercise they should immediately cease activity and rest. Further benefit comes if the rest is in a shaded area with some passing breeze (from a fan if necessary) and the person takes extra hydration. Misting or spraying with water can also help.

Heat stroke

- Characteristics are similar to heat exhaustion but with a dry skin, confusion and collapse.
- Heat stroke may arise in an athlete who has not been identified as suffering from heat exhaustion and has persisted in further activity.

Any collapsed athlete must be treated immediately. It should be assumed that any collapsed athlete is at danger of heat stroke. The best first aid measures are “Strip / Soak / Fan”:

- strip off any excess clothing;
- soak with water;
- fan;
- ice placed in groin and armpits is also helpful.

The aim is to reduce body temperature as quickly as possible. The athlete should immediately be referred for treatment by a medical professional. Important: heat exhaustion/stroke can still occur even in the presence of good hydration.

Dehydration

Dehydration is fluid loss which occurs during exercise, mainly due to perspiration and respiration. It makes an athlete more susceptible to fatigue and muscle cramps. Inadequate fluid replacement before, during and after exercise will lead to excessive dehydration and may lead to heat exhaustion and heat stroke.

Outside temperature

Ambient temperature is the most easily understood guide available, and is most useful on hot, dry days

- 15 - 20 Low: heat illness can occur in distance running. Caution over-motivation.
- 21 - 25 Exceeds 70% Low – moderate: increase vigilance. Caution over-motivation.
- 26 – 30 Exceeds 60% Moderate: reduce intensity and duration of play / training. Take more breaks.
- 31 – 35 Exceeds 50% High – very high: uncomfortable for most people. Limit intensity, take more breaks. Limit duration to less than 60 minutes per session.
- 36 and above Exceeds 30%: very stressful for most people. Postpone and wait for cooler conditions (or a cooler part of the day) or cancellation.

OR

WBGT Temperature (WBGT) index. The WBGT is useful when humidity is high.

- < 20 Low: heat illness can occur in distance running. Caution over-motivation.
- 21 – 25: moderate to high Increase vigilance. Caution over-motivation. Moderate early pre-season training intensity and duration. Take more breaks.
- 26 - 29 High - very high Limit intensity. Limit duration to less than 60 minutes per session.
- 30 and above: extreme. Consider postponement to a cooler part of the day or cancellation (allow swimming).

The Bureau of Meteorology (BOM) produces ambient and WBGT readings for many locations in Australia. You can check these readings and a guide for the relative risk for your location at www.bom.gov.au/info/thermal_stress/index.shtml

IGSA Sport Air Quality Guidelines

Each and every school has a responsibility to educate themselves about the Air Quality Index (AQI) and its effect on sporting activities.

Procedure

Cancellation at the venue

Using the AQI available, all matches should be monitored on a regular basis by the venue convener or the host school's Head of Sport. If the AQI is "poor", warnings will be issued by the venue convener and the host school's Head of Sport to parents and athletes, that the conditions may pose a health hazard, particularly to those with respiratory or cardiovascular conditions. Venue conveners, in conjunction with the host school's Head of Sport, will decide to close the venue if the air quality is at a "hazardous" level. For this to happen, the AQI should be at 200 or greater.

The normal rules concerning venue closure will apply. There will be no further sport at that venue for the rest of the day.

Cancellation by the IGSA Sport office

In extreme conditions and using all available information, the IGSA Sport office will decide in the interest of the players, spectators and official's welfare that sport be cancelled prior to the day of sport.

This decision should not be taken lightly.

Guidelines

When pollution exposure is at low levels, the respiratory tracts usual defence mechanisms trap, transport and clear pollutants effectively. With elevated exposure, short-term accumulation can occur resulting in inflammation and this can exacerbate a number of health conditions with asthma being the most common in athletes.

When threatening or dangerous air quality levels are present, the AQI increases. The AQI is an accepted means of quantifying air quality by public health authorities encompassing:

- Air pollution levels at the nearest monitoring site or region
- The common contributing pollutants
- The overall health risk associated with a given rating.

The AQI is updated hourly and provides an easy-to-understand index. [Current Air Quality](#)

Attentive monitoring of the local AQI and associated air quality alerts, especially during times of extreme environmental conditions, is recommended.

Venue Conveners Checklist

General Preparation

- ✓ Read and understand the Conveners Handbook and have it with you at all times. Please be aware that IGSA Sport rules may differ from club rules.
- ✓ Each round **prior to the start of play, conduct a risk and safety audit** of your venue and know where all facilities are located.
- ✓ Prepare your equipment – cover all contingencies. Make sure you have spoken with your school and if not at a school venue, make sure you know who to speak to in order to have the correct equipment available to you.
- ✓ Make sure you have your own equipment every round e.g. Pens, whistles, first aid, conveners pack, score sheets, risk warning.
- ✓ Organise first aid equipment & ice. School venues should provide this. If at an outside venue please keep receipts of all ice purchases and you will be reimbursed with your payment.
- ✓ Know what is expected of you at your particular venue.

Pre-Match Duties

- ✓ Contact IGSA Sport if you have not received the match sheets by Thursday morning. They are normally emailed on Tuesday or Wednesday.
- ✓ Check the draw and know how many courts / fields / pools etc you have each round.
- ✓ Contact umpires / referees if there are any changes to the draw.
- ✓ Set up conveners table in an obvious position where you can see all courts / fields if possible and display risk warnings in obvious & visible positions.
- ✓ Provide information to players, parents, coaches & umpires / referees regarding matches to be played.
- ✓ Ensure players sign on correctly.
- ✓ Check that all umpires / referees have filled out the necessary IGSA Sport paperwork **before** they umpire. This includes having a WWC clearance from IGSA Sport as advised.
- ✓ Allocate umpires / referees to courts / fields and make sure every match has at least one (1) official to start the match. (Coaches MUST step in if necessary).
- ✓ Ensure there are scorers for each match – one (1) from each team, preferably sitting together.
- ✓ Decide on venue closures using IGSA Sport guidelines.

Match Procedure

- ✓ Time the matches – central timing. No injury time for any matches unless specified for semis / finals where being played.
- ✓ Cancel matches if necessary – wet weather, heat, misconduct.
- ✓ Treat & record injuries on an IGSA Sport Accident Report ensuring all details are completed.
- ✓ Monitor behaviour - spectators, players, coaches and use the IGSA Sport Code of Conduct to help you. When resolving disputes, make sure you introduce yourself and your position before discussing any breaches of conduct.
- ✓ Ensure spectators / coaches etc. are not impeding the field / court of play. Spectators should not be able to obstruct or interfere with match proceeding e.g. too close to umpires / referees on sidelines.

Post Match Procedure

- ✓ Collect match sheets and make sure they are signed by both team captains and umpires / referees' names are recorded.
- ✓ Discuss any issues that may be raised by coaches about the match and record if necessary on an Incident Report to be returned to IGSA Sport.
- ✓ Make sure any breaches of the Code of Conduct are clearly recorded on an Incident Report, indicating the player(s) / team name involved.
- ✓ Record scores on the Summary sheet.
- ✓ Enter scores in to SPAWTZ and record attendance / availabilities **ASAP after games conclude**, preferably by Sunday night, (or by 8am Monday morning at the *very* latest).
- ✓ Email Summary sheet and Safety & Risk Assessment Inspection Checklist to IGSA Sport by Saturday afternoon, **particularly for results from the round 7 matches and the semi finals as draws will be organised from these results.**
- ✓ Post original match sheets, Weekly Summary sheets, Venue Declaration and Risk Assessment Inspection Checklist ASAP over the weekend or by 8am Monday. Also include any umpire / referee forms that may have been completed – do not hold on to them until the end of the term.
- ✓ Complete the convener's game sheet each round with details of umpires / referees and match times.
- ✓ **When requested**, post the relevant and fully completed conveners game sheet including details of how many matches each umpire / referee officiated so that your payments can be processed. After the finals (or last round), please send your final conveners game sheet along with the completed umpire / referee cards so all final payments for the term can be arranged. Post any other documents from umpires / referees or yourself that were not completed earlier in the season.

Make Sure:

- ✓ You are clearly identifiable as the convener of the venue by wearing IGSA Sport clothing where possible and the supplied name tag at all times.
- ✓ If umpires / referees are not showing up, contact the IGSA Sport office.
- ✓ The umpires / referees available are fair and consistent.
- ✓ Regular umpires / referees are dressed appropriately from round to round e.g. no ripped jeans and bare feet / thongs.
- ✓ You are always approachable and arbitrate fairly and by the rules.
- ✓ Call on the IGSA Sport staff if needed.
- ✓ Don't let situations get out of hand.
- ✓ Use common sense at all times.

Play by the Rules - Maintaining Appropriate Boundaries

Working with children can be enjoyable, rewarding, challenging, frustrating and entertaining - as it should be. It also needs to occur in a positive, respectful and safe environment where children aren't put at risk and adults are protected from accusations of abuse.

As an adult, it is your responsibility to establish and maintain clear professional boundaries with children and young people in sport.

Step 1: Establishing boundaries

a) Communication

- Be aware of what you say and how it might be interpreted.
- Tell children and their parents about your coaching style and explain if / when you're likely to touch children.
- Use age appropriate language in the presence of children.
- Always give feedback that relates to the child's performance, not their personality or appearance.

b) Physical contact boundaries

Only touch children if:

- the contact is relevant to the skill being developed.
- you've asked their permission to do so.

Minimise contact as much as possible (i.e. don't press against a child or have your whole body against a player; be aware of which parts of your body are in contact with the player).

Don't have intimate relationships with people under the age of 18.

c) Location boundaries

Make sure you're never alone with a child (e.g. in a car, changing room etc.).

Avoid entering change rooms. If you have to do so, always knock and announce that you're coming in. Try and have another adult with you.

Don't invite children to your home or encourage them to visit.

You can reinforce your ability to create a safe, positive environment by:

- Complying with your club's policies and procedures for dealing with children;
- Complying with your state or territory's child protection legislation;
- Keeping your coaching skills up to date;
- Seeking advice if you're ever in doubt about a situation or you're concerned about a player's behaviour;
- Showing leadership and addressing instances of inappropriate behaviour when they occur: e.g. stopping team bonding activities that involve abuse, humiliation or risk taking;
- Prohibiting hurtful or sexually provocative matches; and
- Forbidding bullying, ridiculing, scapegoating etc.

(taken from the Play by the Rules website – www.playbytherules.net.au)

Step 2: Maintaining and managing boundaries

Boundaries aren't always easy to maintain, particularly if there's only a few years difference between you and the young people you're coaching. Yet a very real power imbalance exists that can't be overlooked. You're in a position of authority. You have more experience. And you're older than the children/young people in your care. And, because they are in your care, you need to make sure you don't overstep professional boundaries.

The following questions will help you decide if you're maintaining those boundaries:

- a) Am I treating all children / young people in a similar manner or do I act differently towards one particular child?
- b) Do I talk, dress or act differently when I'm with a particular child?
- c) Would I behave this way if other adults were present?
- d) Would I feel comfortable if I observed this behaviour in another adult?
- e) Could my actions have negative consequences?
- f) If I were a parent, would I want an adult behaving this way towards my own children?

Occasionally a child or young person may attempt to initiate an inappropriate relationship with you (e.g., by asking you out, sending you flirtatious messages, behaving provocatively). If this happens, there are a number of options available that you may consider taking including:

- a) Contacting your child protection authority or an appropriate agency for advice;
- b) Advising a relevant club/association administrator about the problem and requesting that they speak to the child's parents/guardians; or
- c) Transferring the young person to another team / coach.

If children want to touch you – by holding hands, hugging you, wanting cuddles etc. – you need to gently dissuade them from doing so.

One on one coaching

If you need to conduct one-on-one coaching, make sure it's with the parents' knowledge and consent and preferably that it occurs in a public and visible location.

Coaching children with special needs

If you're coaching a child with special needs you may need to have more frequent physical contact with them. Talk to the child and their parents about how you can meet your duty of care obligations in a safe, supportive manner.

Basically, however, you still need to adhere to the boundaries outlined above e.g., don't touch the child more than is necessary; when you do so make sure it's in a public place and that there are other people around who can see you etc.

For more information on coaching children with special needs visit www.ausport.gov.au/dsu/index.asp.

Cultural considerations

Different cultures have different attitudes and traditions around touch – being aware of those traditions will help you avoid causing embarrassment and offence. If you know that a child's family have escaped traumatic circumstances, you'll need to use diplomacy, tact and care in your relationship with the child.

Physical Contact with Children

Issues surrounding physical contact in sport can be controversial and complex. Some sports require physical contact between adults and children for skill development; others do not.

(taken from the Play by the Rules website – www.playbytherules.net.au)

If physical contact is to occur, it should always be within clear guidelines to reduce the risk of inappropriate touching and to ensure people working with children e.g., coaches, officials etc. are not placed in situations where they could be accused of abuse.

Physical contact is appropriate if it:

- is used to assist in skill development
- is required for the child's safety
- occurs with the player's understanding and permission
- is for the child's benefit, not adult gratification
- occurs in an open environment.

Physical contact is inappropriate if it:

- includes touching the groin, genital area, buttocks, breasts or any part of the body that may cause distress or embarrassment
- frightens, distresses or embarrasses a child
- destroys their trust
- occurs in a private place.

Laws exist throughout Australia to protect children and young people from abuse. Measures that are genuinely necessary to protect the health and safety of children and young people are permitted. In deciding whether contact is appropriate ask: "Is it serving the needs of the player/participant or the adult?"

Accident & Insurance Information

IGSA Sport does not insure against the cost of medical or dental expenses incurred by students, teachers, umpires, conveners, spectators or any other person participating in school sport.

The NSW State Government provides free **serious injury and death cover** to all NSW school children while they are participating in school authorised sports under the Supplementary Sporting Injuries Benefits Scheme. This Scheme was established to cover accidents or injuries to school children.

All NSW school children, within both the public and private systems are automatically covered under the Supplementary Scheme. Cover is provided for school authorised sporting or athletic activities.

A lump sum benefit is payable to any schoolchild (or the Public Trustee should the child be under 18 years of age) who is injured while participating in a school authorised sporting or athletic activity and who has suffered a permanent disability of a certain kind.

The Supplementary Scheme **does not cover medical expenses or dental costs**. For more information about the Supplementary Sporting Injuries Benefits Scheme and the cover provided, please visit the NSW Sporting Injuries website –

For more information on NSW Sporting Injuries benefits and entitlements or how to apply, visit <https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/who-we-care-for>, email sportinginjuries@icare.nsw.gov.au or call (02) 7922 5392.

Although IGSA Sport takes measures to make the sporting activities as safe as reasonably possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting activities, whether at training or in actual events. **IGSA Sport therefore advises participants to consider their own insurance needs and to take action appropriate to their circumstances.**

IGSA Sport also advises to read the Risk Warning in the policies section of our website.

First Aid

IGSA Sport recommends that all Conveners hold a current First Aid Certificate although it is not compulsory.

It is the responsibility of the Convener to make sure that ice and a first aid kit are available at the venue each Saturday. Check the first aid kit each round and replenish as necessary.

When dealing with blood or other body fluids, always wear gloves.

Convener's Responsibilities

As the Convener responsible for the venue, you may be called upon to respond to an accident or injury. While it is impossible to predict every eventuality, the following guidelines should prove helpful:

1. **Stay calm and use common sense.** If the injury is severe, if you feel unqualified to deal with it or if you would like support, seek assistance from spectators. All PDHPE staff will have current First Aid certificates and several parents may have medical qualifications. Make sure their parents are contacted if they are not present at the match. Complete an injury report and forward it to the IGSA Sport office.
2. **If the situation is an emergency**, call an ambulance (**ph. 000**) and get help from a trained First Aider or medically qualified spectator. (NB Mobile emergency numbers may be different –often 112. Know how to dial an ambulance from your mobile and program the number into your phone).
3. **If the situation is not an emergency**, assess its seriousness. To do this, the Australian Sports Commission recommends the “STOP” approach:
 - Stop play or stop the player from participating.
 - Talk to the injured player to determine where the pain is felt, how serious it is and how the injury occurred. Provide words of encouragement.
 - Observe the player while you are talking to their to assess swelling, bleeding, deformity, possible concussion, etc.
 - Prevent further injury.

4. **If the injury is not serious**, The Australian Sports Commission and Sports Medicine Australia recommend the “RICER” approach:
 - Rest injured part to reduce further damage – refrain from putting weight onto injured part.
 - Ice – apply, wrapped in damp towel, to injured area for 20 minutes every two hours for the 1st 48 hours.
 - Compression – firm (but not tight) bandaging will reduce bleeding and swelling.
 - Elevation – raise the injured area above the heart on a pillow for comfort and support.
 - Referral – consult a medical professional for diagnosis and further treatment if required.
5. For all injuries, major and minor, an IGSA Sport accident report **must be completed**.
6. St John Ambulance Australia encourages everyone to be prepared for whatever unfortunate event may occur and has now developed their new First Aid app for iPhone and Android phones. The range of St John phone apps can be downloaded from the Apple iTunes and Google Play app stores.

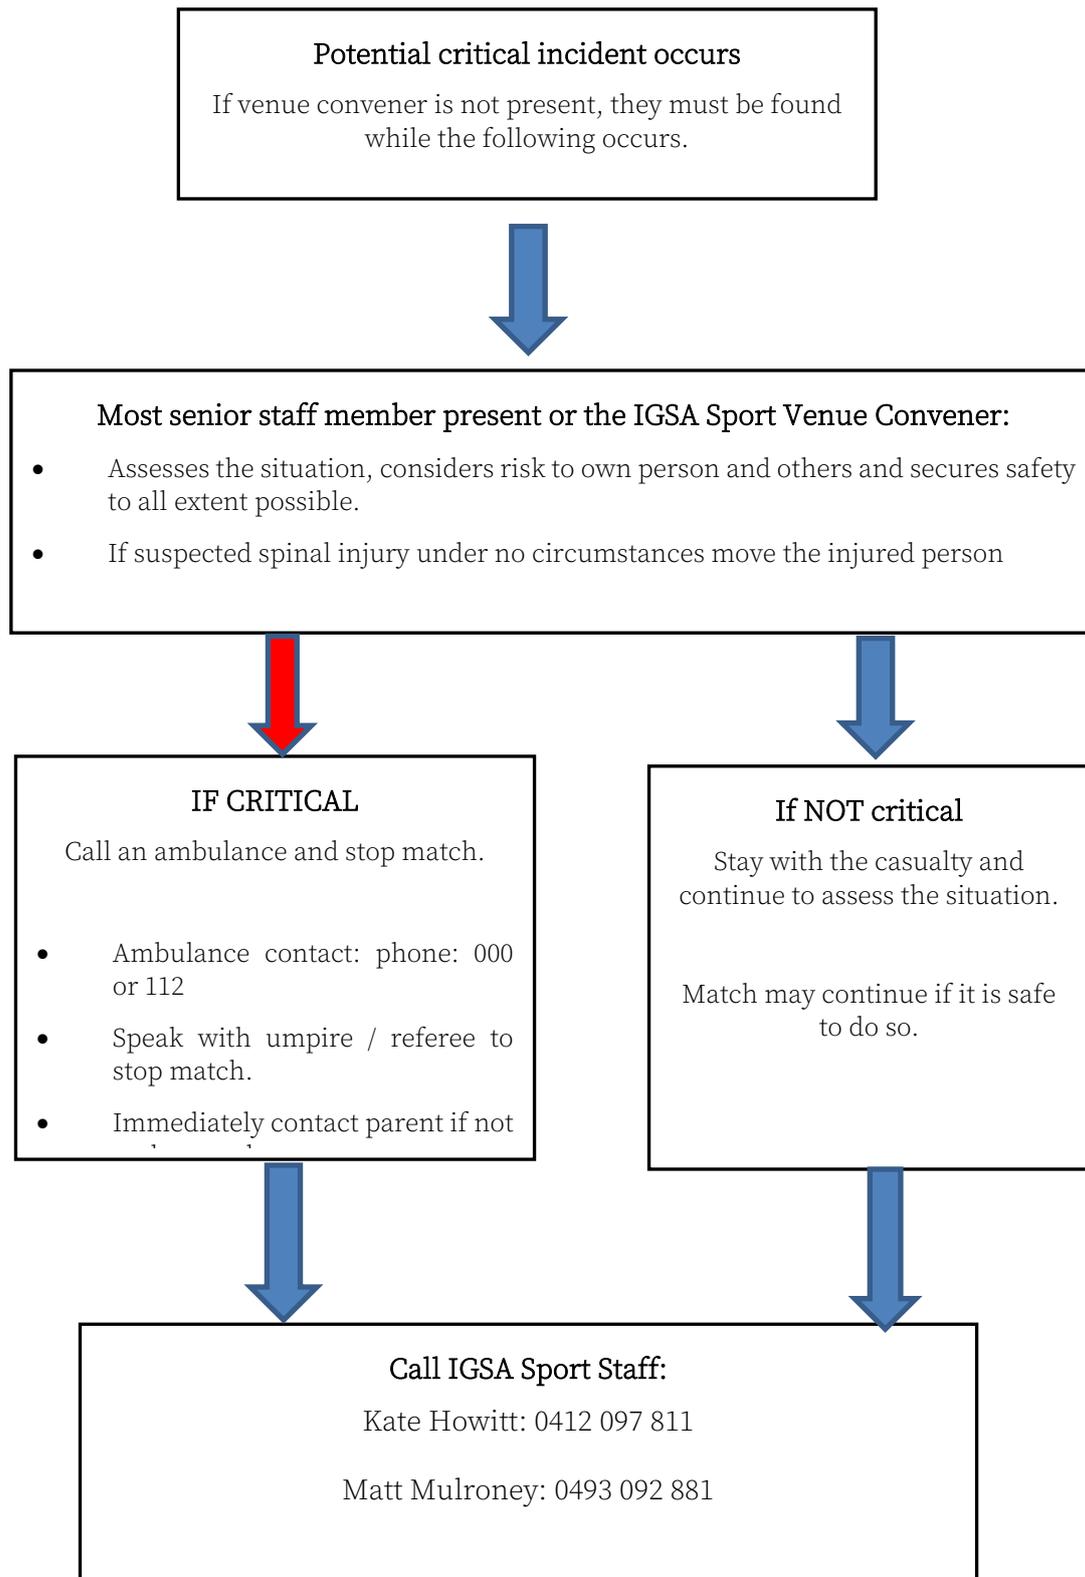

General Safety

1. Encourage players to wear sunscreen and to drink plenty of water in order to avoid dehydration. For more information, consult the Sports Medicine Australia.
2. If the wearing of protective equipment is mandatory, this must be enforced. If the wearing of protective equipment is merely recommended, encourage players to wear it.
3. If bleeding occurs, encourage players to administer their own bleeding control.
4. If cleaning blood or body fluid from a court, floor or change area, wear protective gloves and avoid direct contact.
5. Encourage players to check the suitability and condition of their equipment prior to play.

Procedure for the Management of Critical Incidents for IGSA Sport Venue Conveners

Definition of a Critical Incident – the incident is a high risk situation and for IGSA Sport is defined as anything that cannot be managed by using simple first aid such as a band aid or icing.

Hierarchy of Staff at a Venue

- Head of School
- Director of Sport from the school venue
- Director of Sport from school(s) involved
- PD/H/PE or other School staff
- Team Coach
- Team Manager

If parent of casualty present;

- Follow all procedures in consultation with the parent

If no school staff present;

- Follow all procedures and gain assistance from:
 - Medically qualified parent / spectator e.g., doctor, nurse, physio
 - Another adult
 - Players

Once ambulance has been called, where possible, delegate responsibility of casualty to most senior staff member at the venue so the following can be addressed:

- Ambulance access
- Assist with first aid requirements e.g. water, ice.
- On going communication with umpires / referees
- Provide feedback to players and / or spectators
- Continue to assess safety of venue

When there is no other adult present, the venue convener's first priority is to the casualty. A player can assist to call the ambulance, communicate instructions and pass on information if required.

3. Enter the results per team for each fixture in the results fields and click 'Update Results'

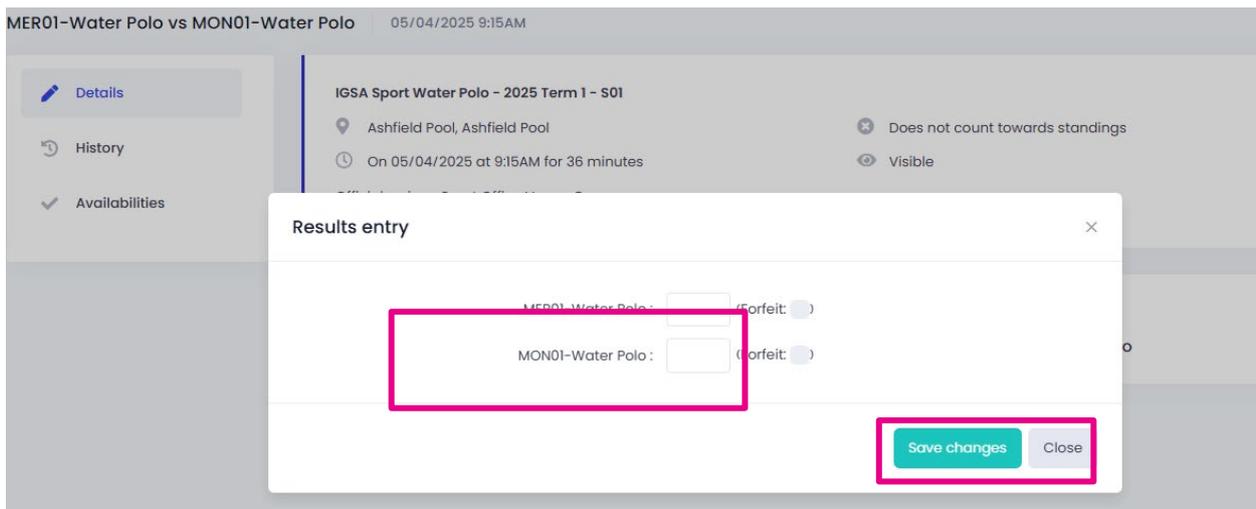

4. You can also update fixtures on an individual fixture basis by opening each fixture by clicking 'Edit' at the right of the fixture you want to update.

5. Scroll down to the Fixture details on the Details page.

- Click on “Enter results”, enter the score and click “Save Changes”.

- Refer to the rules and guidelines to see what the **forfeit match score should be for your sport**. Tick the box indicating it was a forfeit in the box next to the team that forfeited.

- Matches **cancelled due to a venue closure** should be recorded as a 0 – 0 score for all sports.

- To get back to enter more fixtures click ‘Close’ at the bottom of the page.

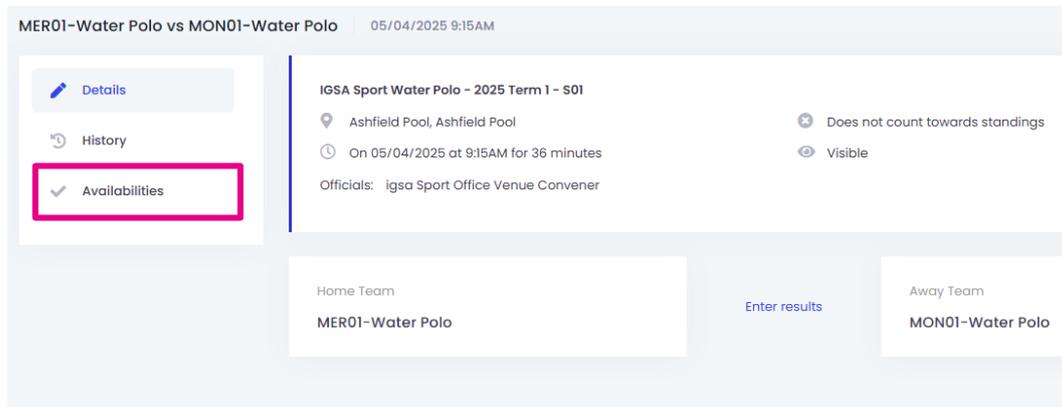

IGSA Sport staff will tick the box that says “Results from this fixture should not count towards standings” so that it is not included in the average of the points. Conveners will not be able to do this but may be asked a question about it.

How to mark attendance

Once you have entered the results, please mark the attendance i.e. who was there and signed on for each team / match.

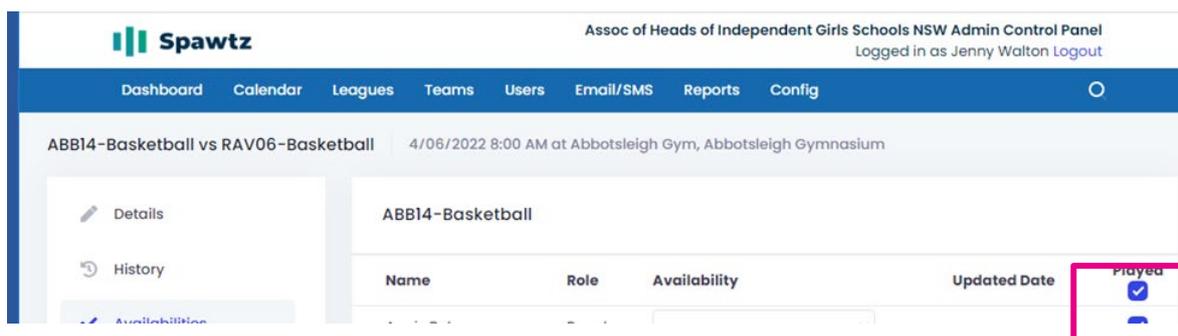

Any players not on the list of **“Availabilities”**, should clearly print their first and surname on the sheet and sign as normal. The IGSA staff will update these details once we receive the sheets back in the office.

1. Click on **‘Availabilities’** on the left of the page.

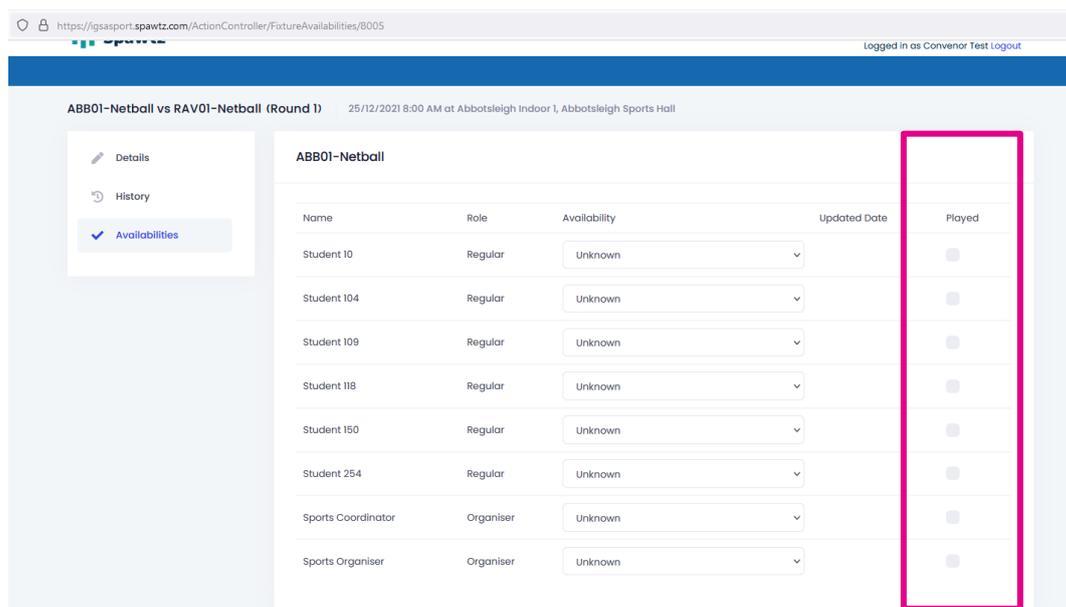

2. Using the tick boxes on the right of the players names you can mark who played.

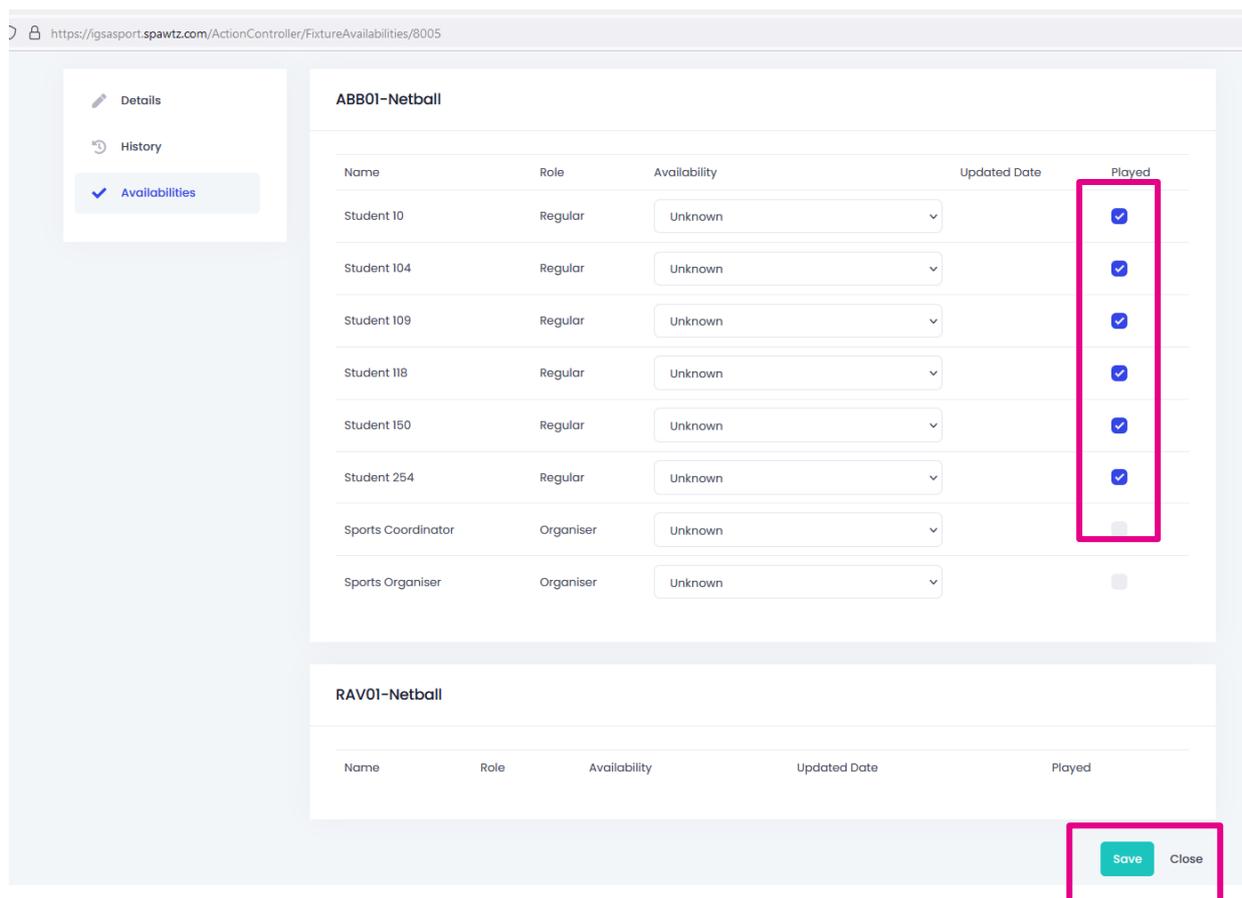

If all the team (or most) are in attendance, use the new feature and select the “played” button in the header for each team. You can then deselect any not in attendance.

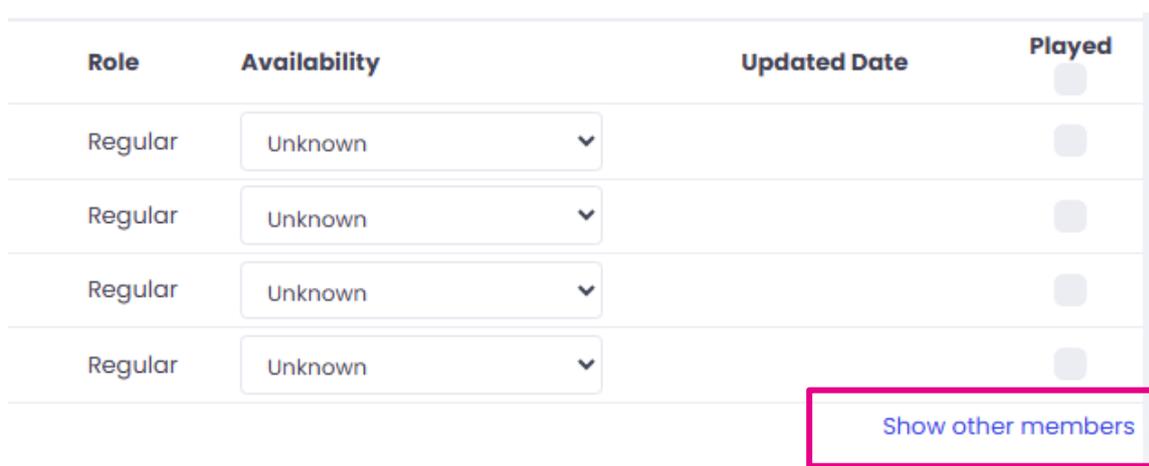

OR you can go through the team and select each individual player.

3. Once all players are marked for attendance scroll to the bottom of the page and click Save.

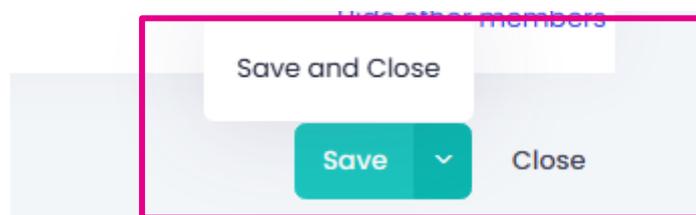

4. **Regular fill ins:** You will not be able to enter any players who are not listed unless they have filled in for this team on a regular basis. Click on the button to “Show other members”. This will show anyone else associated with that team that is not a “Regular” player.

You are responsible for filling out ALL match details correctly including; team names, grade, venue and results on the spare sheets provided.

The players must then print their name and sign beside it – the same way each round.

Also ensure that all names written on the sign on sheets are legible. If you can't read it we probably can't either.

Please remind the captains that they are to sign off the sheet **at the end of the match** once they have checked that the correct score and winner / loser has been recorded on the sign on sheet. This is important as should there be a discrepancy, the result that is written on the sheet and signed by both captains will be the one that stands!!

Spare Referee Forms

Copies of all required forms are in this Conveners' Handbook.

You will find the referee cards in the folder. If you require more cards please contact the IGSA Sport office by phone 9888 9477 or by **writing a note** on the round summary sheets.

NO CONVENER or referee will be paid unless

1. If 18 or over, they have a WWC clearance as confirmed by IGSA Sport.
2. They have completed and returned to IGSA Sport:
 - ✓ A signed contract - Acceptance of Offer signed
 - ✓ ATO Statement by a Supplier (*if not yet completed this calendar year*)
 - ✓ Contractor Detail form (*if not yet provided or details have changed*)

Payments WILL NOT be made until all these forms have been forwarded and they have completed a referee card for the season. These cards will be reconciled to the matches played and the convener's game sheets after the final round.

Referee payments made during the **during the Term** will be paid **based on information supplied on the correctly completed convener's game sheet forwarded**. Final referee payments will only be paid once the final convener game sheet and the completed referee cards have been received in the office and can be reconciled to matches played at that venue.

Please note that a delay in forwarding any of this information may delay payments for both conveners and referees.

More copies are available on the IGSA Sport website under basketball.
